

They SATISFY!

AVENGERS THWARTED BY SHERIFF

(Continued from Page One.)

Grady county the name of having a negro killed on the streets of the county seat on Sunday. I am not defending the negro; I believe he should be punished and punished severely, but as long as I am sheriff of this county there is going to be no one, white or black, hanged in this county in any way except by due process of law, if I can prevent it. In removing the negro Smith from Chickasha Sunday I believe I did my duty as a sworn officer of the law.

Mayor Coffman stated this morning that he proposed to have an ordinance introduced at the next meeting of the city council, Thursday night of this week, providing for the appointment of two additional policemen, these officers to have beats in the negro sections of the city.

The mayor said that he would ask

that such appointment be authorized by the council and that the officers so appointed, should the council grant his request, would be instructed to see to it that the negroes stayed in the negro sections of Chickasha and that all whites be restrained from frequenting any parts of negro town.

"I want those officers instructed," said Mayor Coffman, "to arrest any person on the streets of negro town after ten o'clock at night."

The mayor further stated, in no uncertain terms, that he believed the carnival which had just closed its show in Chickasha, was largely responsible for the shooting of Davis. "The management of the carnival attempted to cater to the negro trade as well as to the whites of the city," said the mayor, adding, "I want it distinctly understood by the management of any carnival which may come to Chickasha in the future that negroes are to be barred from all places of amusement in the carnival. If they want to run negro shows these managers will have to pitch their tents in negro town."

BROOKS NOT GUILTY.

Grady Brooks, tried by a jury in Judge T. P. Moore's court Saturday afternoon on charges of carrying a pistol, was found not guilty and discharged from custody. The trial occupied the attention of the court during the entire afternoon, many witnesses being examined. Brooks was alleged to have fired a shot at a party of automobilists. He made no denial of having the pistol, but alleged that some one in the auto had shot at his dog. The autoists stated that the report which Brooks heard, and thought was a pistol shot, fired at his dog, was the report made by the explosion of one of the tires of their auto.

By United Press.

Chicago, June 5.—The Woman's party, meeting in its first convention, struck its initial snag today when it tried to crowd 3500 delegates representing a dozen million women into the Blackstone theater, which has a seating capacity of only 1800.

Before noon, following a half day of unexpected registration, no one doubted that the three-day convention which is held to impress the Progressives and Republicans with the women voters' power would call for numerous overflow meetings.

Women voters from the eleven "free" states were given the first prominence today and will continue to hold first place in the convention tomorrow and the day following.

"Free" women had access to the main floor of the theater. Other women crowded into the balconies and attended the overflow meetings.

Miss Alice Paul, national chairman, opened the meeting at 2 this afternoon but did not remain long as presiding officer.

The rules of the Woman's party say that the permanent chairman must be selected from one of the eleven states in which women are allowed to vote. Up to the time of the balloting no one had any idea who the first temporary chairman of the Woman's party would be.

The principal business of the afternoon was the naming of committees and reports from the eleven equal suffrage states delegates.

A reception has been planned for this evening. Speakers at the convention will be:

Miss Maud Younger of San Francisco, Mrs. Ida Finney MacKilife of Sacramento, Mrs. William Kent of Kentucky, wife of Representative Kent; Mrs. Sara Bard Field of San Francisco, and Mrs. Elizabeth Gerberding of Berkeley, Anne Martin of Reno, Nev., Mrs. Wallace Williams of North Yakima, Washington, Miss Alice Louise Reynolds of Provo, Utah, Mrs. Francis Haire of Helena, Montana, Mrs. William H. Sawtelle of Arizona, Mrs. Lillian H. Kerr of Colorado Springs, Mrs. Dora Phelps Buell of Denver, Colo., and Dr. Caroline Spencer of Colorado Springs.

Mayor Says Harvest Is Ready.

"I am glad to note by the Express," said Mayor Coffman this morning, "that Agent Cooper is taking so commendable an interest in the matter of supplying harvest hands to the farmers of Grady county. Any time he runs shy on material, and will notify me, we will start a little 'vag' crusade here and round up and turn over to him for use in the harvest fields, any and all who may be found without a visible means of support."

Anadarko Man Arrested.

Chief Phillips yesterday arrested B. E. Fitts, of Anadarko. The defendant deposited a cash bond with Chief Phillips for his appearance before Mayor Coffman at 4 o'clock this afternoon.

Narrow Escape from Injury.

A narrow escape from serious injury was the experience of Mr. Gilbreath and two little girls who were struck and knocked down Saturday night by a loosened "horse" which had fallen from the "merry-go-round" at the street carnival. Officer Elston and Special Officer Day picked up the parties, after having ordered the swing stopped. Fortunately none were injured materially.

Rev. G. Lyle Smith Resigns.

The multitude of friends of Rev. G. Lyle Smith will learn with regret of his determination to leave Chickasha. At the beginning of services at the Christian church yesterday morning, following other announcements, Mr. Smith notified his congregation that on the first of July he would sever his connection with the church as its pastor. Mr. Smith stated this morning that he had not perfected plans for the future and did not know at the present where he would go from Chickasha, but that he expected to continue his work as a minister of the gospel.

Chief Says "O. K."

Chief Phillips, of the Chickasha police force, stated this morning, when told of the proposition of Mayor Coffman, to be brought before the city council at its next regular meeting to add two additional officers to the police force of Chickasha, who shall patrol beats in the negro section of the

city, that it would probably be a step in the right direction. The chief also stated that he was in favor of preventing the whites from hanging around the negro sections of the city.

One Hundred K. P.'s Wanted.

Alvin Hawn, chancellor commander, and William W. Clark, keeper of records and seals of Chickasha lodge, Knights of Pythias, have issued a call urging one hundred members of that fraternity to turn out tonight and take part in the initiation of six candidates into the mysteries of the order. "Don't fail to attend," is the message passed out by Mr. Hawn and Judge Clark.

Enjoyed Outing Yesterday.

A party consisting of Mayor and Mrs. Coffman and Mr. and Mrs. Bob Streeter enjoyed a pleasant day yesterday on the banks of the Washita near Lucile. Mayor Coffman denies knowledge of any interesting fish stories, but avers that he has reason to believe that many fish could have been caught by anyone who might have "dropped a line" into the stream.
